

## EXPERIENCE

2020 - 2021

### WEB DEVELOPER (contract)

#### Savvas Learning Company

SCRUM Team: Developed new features/styles for the website with a strong focus on performance, creating a lightweight and responsive UI. Extensive research and analysis to improve existing product designs. Resolved various bugs and issues.

2019 - 2020

### WEB DEVELOPER (contract)

#### Subaru of New England

Managed all software needs for over 100 car dealerships. Built programs for both internal and external facing clients. Detailed collaboration with teams essential to meeting goals.

2018 - 2019

### WEB DEVELOPER (contract)

#### Christian Science Monitor

SCRUM Team: Designed, developed and supported software and web applications for a leading news organization. Collaborated with designers and editors

2017 - 2018

### WEB DEVELOPER (contract)

#### Pure Hockey

Developed software for an e-commerce company. Implemented new features and designs. Worked with vendors to integrate processes and their tools. Role required high level creative thinking and problem solving.

2017

### WEB DEVELOPER (freelance)

#### Harvard University

Created custom web services to export/import stimuli materials into Qualtrics for post doctorate academic studies. Worked with researchers to develop a program to shorten data collection and entry times. Vastly improved efficiency.

2017

### FRONT END WEB DEVELOPER (senior intern)

#### User Interface Engineering

Worked with industry leaders in UX. Developed HTML emails and UIE websites. Assisted in developing a custom CSS framework. Set up hardware and peripherals for conferences.

2014 - 2016

### FLIGHT SUPPORT SPECIALIST

#### Magellan Jets

Managed all night operations of global client base. Responsible for flight-following, weather tracking, aircraft sourcing, mechanical conflict resolution and ensuring FAA compliance.

2011 - 2014

### UNIT COORDINATOR: Emergency Department

#### Partners Healthcare - Newton Wellesley Hospital

Unit coordinator. Able to work under extreme pressure with equanimity. Worked with hospital systems to enter labs, tests and radiology. Worked directly with physician/nursing staff.
