SUMMARY

Boston based web developer with a strong background in technology. Demonstrated ability to complete high-end projects in a deadline-oriented environment. Strong communication, planning, analysis, problem solving and leadership skills.

EXPERIENCE

2017 – 2018

WEB DEVELOPER

Pure Hockey

Designed, developed and supported various aspects of e-commerce platforms. Completed all phases of software development life cycle including requirements, design, development, testing, deployment and support. Worked with outside vendors of software applications to integrate processes and their tools.

2017

FRONT END DEVELOPER

User Interface Engineering

Managed preparation of HTML emails on various technology platforms. Implemented procedures for testing and troubleshooting of HTML and revised code. Assisted in developing a custom front end CSS framework. Continued to develop skills in experience design, visual design, digital marketing and content strategy. Worked with industry leaders in UX.

2015 – 2017

FLIGHT SUPPORT SPECIALIST

Magellan Jets

Responsible for all night operations of a global client base. Duties include: flight following, weather tracking, aircraft sourcing, mechanical conflict resolution and ensuring FAA compliance with all advisories, crew duty requirements, etc.

2013 – 2015

UNIT COORDINATOR

Partners Healthcare

Managed Meditech Systems in ER. Responsible for entering all labs, tests, transfusions and codes. Reported systems irregularities, actively working with IT to resolve issues. Also worked directly with Physicians and staff.

2011 – 2013

INSURANCE SPECIALIST

Liberty Mutual

Consistently exceeded financial objectives of represented clients. Assessed risk-management goals to recommend solutions optimally suited to client needs. Sales leader: top twentieth percentile in all of New England.
